

Almost Fall 2020 Blossom's Blog

About Citrus Blossom Candles & Gifts

Welcome to our first newsletter! It is called Blossom's Blog after our store's flamingo mascot that we nicknamed Blossom. We plan to send out a news blog quarterly – just often enough to keep you informed but not so often that you know what's on our weekly grocery list.

We opened our brick and mortar site on September 10, 2019 after having participated in craft and trade shows since 2013. We're thrilled to have an indoor space that is climate controlled and requires no set ups and tear downs! In our new shop we carry our Soy Candles, Aroma Oils, Reed Diffusers, Room Sprays, Sachets, Liquid Soaps, and Lotions which are all handmade on site. We also carry bar soaps, jewelry, hot sauces, baby gifts, & more. We feature locally handcrafted products & carefully selected gifts that you'll love to give & receive!

Say hello to our new jars!

Big news! Effective immediately we will begin phasing in new candle jars due to the previous containers being discontinued by the manufacturer. While we will miss the old jars, we look forward to offering our same quality candles in the new vessels!

Loyalty Cards

We have recently started a loyalty card program. Spend \$20 on our Citrus Blossom Brand products (candles, aroma oils, room sprays, reed diffusers, and/or sachets) and receive your first loyalty card stamp. You will receive a stamp with every \$20 spent on Citrus Blossom products. Collect 10 stamps and you will receive a FREE large soy candle.

New Fragrances

If you've been following our Facebook or Instagram accounts then you are probably familiar with our Fragrance Friday segment where we tell a bit about our new and existing fragrances. Here are three of our newest scents:

Flamingle: ruby red grapefruit, mango, & ginger

Mer-mazing – driftwood, seasalt, & coconut

Unicorn Farts – vanilla and tropical fruits

Sale

Now through the end of August we are offering a 25% discount on our soy candles.

We also offering 50% off of our soon to be discontinued Sparkling Ginger Grapefruit and Koo Koo for Yuzu candles.
